B. In Detail: There is only One Love: the only way to create a world full of love is to populate our world with blackbelt peace mediators. This exciting project is a training camp for peace mediators who want to obtain blackbelt certification. The training has 30 places available for trainees and there are also 2 places available for anyone who wants to be a trainer.

For those who are interested please click on the Action link above. We close applications on Closing Date. And then we will take 2 weeks to process all applications and then get back to you. If you are accepted, then the training will cost USD 80 per person. The training sessions take place over 2 days in the Geneva, Switzerland. Additional details will be shared with those who are selected.
